To Whom It May Concern:

If you are reading this letter it is because you have chosen Paul from Shelter Cove Construction to give you an estimate on work you want completed at your home. Believe me it is the best decision you can make! I have work with other contractors over the years and when I finally found Paul it was the best thing that could have happened to me. His pricing is fair, the quality of the work is unsurpassed, the concern for doing things right is wonderful. The work ethic is the best around. Paul and his workers are kind and respectful which is a blessing in itself. I plan on having more construction work completed on my residence and the only company that will be asked to do the job is Shelter Cove Construction.

If you would like to speak with me directly regarding this company, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Nancy Bochis".
